THE STATE OF THE ARMY

A report of the state of the army, as given by the Adjutant-General, is published in the official gazette. It shows that the army is in a state of high efficiency, and that the various branches of the service are well organized and equipped. The report also mentions the various campaigns and operations in which the army has been engaged, and the success which has attended them.

Advertisements for various services and goods, including a notice from the Admiralty regarding the sale of surplus stores, and a notice from the War Office regarding the sale of surplus stores.
